PENGUIN January 22 – February 18

CAREER Giant leaps in the past have taken you a long way, but they've also made people jealous. Despite all your success, don't forget that there are alternatives to your way of doing things, and stop treating your colleagues like competitors. Don't let legal hassles bother you; you can expect your opponent to give up some time soon.

HEALTH You have been going downhill for a couple of years now. If you want to stay healthy, take some time out to recuperate.

PERSONAL Your career progress has brought you a constant stream of new lovers. But don't forget your old flames, or you might end up on your own again more quickly than you think.

HEALTH Your obsessive character will give you stomach aches if you don't change. Draw your horns in and try to take things easy.

PERSONAL You're still waiting for Mr. or Mrs. Right, but the kernel of truth is, you expect too much from your dream partner.

DOLPHIN March 20 – April 20

CAREER You find the right answer to any question. That makes you feel confident. You are ambitious, always eager to measure yourself with the best in any field, even though your own abilities are not quite up to the mark in some cases. You are an expert at papering over the cracks.

HEALTH You are under the influence of the Elephant. That could be tricky, if you don't watch out.

PERSONAL Your weakness for rich partners has earned you many a purse over the years, but don't forget your friends from way back when!

although you are as bright as can be. Try to promote yourself, instead of waiting for someone to discover you.

HEALTH Things couldn't be better. You look younger than you are. You keep fit and can easily outpace people of your age.

PERSONAL You have a reputation for being prudish. Be bolder, especially in public; people who get to know you are surprised how big your heart is. You quickly sort out misunderstandings.

DRAGON May 21 – June 21

CAREER You are so ambitious about finding a solution to everything that you tend to get confused. Play to your strengths.

HEALTH You've put on weight and become sluggish over the years. If you want to live longer, take time to diet.

PERSONAL There's more to life than neat clothes and cosmetic surgery. Okay, the people around you may worship you, but don't forget that intrinsic values are just as important.

GNU February 19 – March 19

CAREER You have been waiting for that golden opportunity for years, and other people have kept on reaping the rewards of your hard work. But you're a positive kind of person, and that keeps you motivated to do your best. Don't give up. Your big chance is just around the corner.

ELEPHANT April 21 – May 20

CAREER You've been at college for years, and people are starting to wonder about you,

SNAKE June 22 – July 22

CAREER Your career is rocketing – your strategy of copying

from other people seems to be paying off.

HEALTH You are extremely disciplined, and that tends to have a positive effect. But avoid overdoing things and take it easy once in a while.

PERSONAL Style is important – but don't be too conventional if you want to keep that admirer.

DAEMON July 23 – August 23

CAREER You are an expert at adapting to new conditions and situations. Just make sure that doesn't affect your personality.

HEALTH You're no spring chicken, but you're healthy enough. Your resilience against infectious diseases is legendary.

PERSONAL You are a family person. But don't lock yourself away from the outside world – a little adventure can liven up a boring relationship.

most people. That makes them wonder how you do it. But even you should sometimes stop to ask where you are going.

PERSONAL The stars shine benevolently on your future affair with a parrot. This is an affair that is bound to lend you wings.

BLOWFISH October 24 – November 22

CAREER Your life is starting to look a lot like a long dark tunnel. But you can see the light at the end.

HEALTH The moist environment down in the tunnel is starting to get to you, but on the upside, you have adapted perfectly to your troglodytic existence.

PERSONAL You are a gregarious kind of person, and you really enjoy exchanges with many partners at the same time.

FOX August 24 – September 22

CAREER Older colleagues often make life difficult for you.

Okay, you may not have a lot of experience, but don't let that get you down. Don't emulate other people. Be bold enough to try out your own ideas.

HEALTH You need to conquer your lethargy and become more active. Be creative; it will help you relax. Try painting a picture.

PERSONAL Stay independent. Don't confuse admiration with love.

DINOSAUR November 23 – December 21

CAREER Your impressive looks and strength make other people respect you. But that's no reason to rest on your laurels.

HEALTH The stars say it's time to go on a diet. Regular jogging should keep your blood pressure down.

PERSONAL Help your kids to a good start by being caring, and help squash the rumors about you becoming extinct. But don't expect your kids to thank you for your help.

CAMEL September 23 – October 23

CAREER People at the office admire your versatility. Nobody is complaining about your unconventional approach, but don't overdo. Don't expect them to understand some of your more obtuse techniques.

HEALTH As a ship of the desert, you come through bad patches better than

GECKO December 22 – January 21

CAREER Go for that big career leap! But keep off the beaten track or you might get trampled on.

HEALTH Avoid eating US-style fast food. You know that dishes like that give you a nasty red rash all over your pretty green skin.

PERSONAL Give up waiting for Prince Charming. Stay at home and hatch your eggs instead.
